

## SOFTWARE DEVELOPMENT / FIXING REQUEST FORM

No.: 2023-04

Date: 07/02/2023

### Issuer department

Issuer: Mircea Cotoban

Department: Production Scheduling

Please highlight with **yellow**, the correct assumptions.

#### Request type:

- Software development/modification
- Software bug fixing

#### Software type:

- Core (MAP)
- Semi-Core (direct input in MAP)
- Peripheral (Web App, Windows App, etc)

### Description:

Create an application that aggregates the assy requirement and checks it against mnfg capacity

### Gain analysis:

Q: reduce operator mistakes, increase forecasting and planning capabilities.
C: Saves about 20 hours per month ~ 200 euros/ month
D: N/A
E: N/A

*(Additional documents can be added)*

### Requested implementation:

Issuer Manager: \_\_\_\_\_

Issuer Supervisor: \_\_\_\_\_

**Production System Department****Solution type chosen (specific):**

- Core (*MAP*)
- Semi-Core (*direct input in MAP*)
- Peripheral (*Web App, Windows App, etc*)

**Cost-effectiveness analysis:**

Q: reduce operator mistakes, increase forecasting and planning capabilities.
C: Saves about 20 hours per month ~ 200 euros/ month
D: N/A
E: N/A

**Development responsible :Daniel Pandeale****Development estimated period: 5-6 weeks****Priority : Medium**Priority levels are : **Highest, High, Medium or Low.**

(If the given priority is set as « **Highest** », all other projects will have their priorities changed and possibly postponed.)

**Approved by:****Issuer Manager:**\_\_\_\_\_**Date:**\_\_\_\_\_**Production System Manager:**\_\_\_\_\_**Date:**\_\_\_\_\_**Production System Supervisor:**\_\_\_\_\_**Date:**\_\_\_\_\_

**IF PS department considers that they need IT support, this form will end here and PO-12-01 F01 will be started.**

**General Director: N/A****Date:**\_\_\_\_\_

(Only for Core and Semi-Core Software)

**Testing****Testing plan scope:**

Functionality test
Data accuracy test

**Testing period:** \_\_\_\_\_**Testing responsible:** \_\_\_\_\_**Testing results:**

Test functionality :
Test data accuracy :

**Approved by:****Production System Manager:** \_\_\_\_\_**Date:** \_\_\_\_\_**Issuer test results:**

**Approved by:****Issuer Manager:** \_\_\_\_\_**Date:** \_\_\_\_\_

**Implementation**

**Documentation:**
